Currently the least expensive single family detached home for sale in all of Wild Dunes. This home is situated on a large corner lot (.31 Acre) and is only two blocks away from dipping your toes in the Atlantic Ocean! Easy beach access and easy walkability to Wild Dunes amenities! The home is nestled among numerous live oaks, multiple palms, ornamental grasses and yet has plenty of room to expand its footprint. A charming front porch greets you with new stairs and railings and craftsman style front door. On the interior, the space is comfortable and lives larger with a wood paneled cathedral ceiling in the living room, along with stone fireplace and bench window seating. Sit on your screened porch overlooking your large yard and enjoy the sound of the ocean. There is ample parking space for two cars, small boat, golf cart beneath the home, plus room for multiple cars in the driveway. This is a great location and value! Offered furnished.
